2nd November 1931]

A.—(a) The Government are not aware that there has been any loss of revenue on this account.

(b) Steps have been taken to wash away as far as possible the sand shoals above the railway bridge at Rajahmundry and estimates for Rs. 10,200 and Rs. 4,350 have recently been executed. Nanal and other growth is being uprooted in the various shoals up to the anicut and the soil loosened to encourage the scouring action of flood water.

(c) There has been no such correspondence recently.

Mr. A. HARISCHANDRUDU NAYUDU:—"With reference to the answer to clause (c), may I ask the hon. the Revenue Member whether there was any correspondence at any time, and, if so, whether he will be pleased to place it on the table of the House?"

The hon. Mr. A. Y. G. CAMPBELL:—"I believe there was some discussion at the time when the railway bridge was being constructed, but I do not remember to have seen any correspondence about it. The hon. Member will find considerable information in a note on this subject which was placed on the table of the House in answer to a question about the 1st of February 1929."

Mr. A. HARISCHANDRUDU NAYUDU:—"May I ask the hon. the Revenue Member whether Government do not apprehend danger to irrigation by the continual silting up due to the existence of the railway bridge at the present place?"

The hon. Mr. A. Y. G. CAMPBELL:—"I cannot say it is due to that. The silting up is probably due more to the anicut than to the railway bridge."

APPENDIX V.

[Vide answer to question No. 489 asked by Mr. M. A. Manikkavelu Nayakar at the meeting of the Legislative Council held on the 2nd November 1931, page 369 supra.]

G.O. Ms. No. 852, Public, dated 18th August 1931.

In Memorandum No. 3598/25-3, Public, dated 31st January 1927, the following classes of unpassed clerks in the Registration department were brought under paragraph 3 of G.O. No. 949, Public, dated 5th November 1926:—

Class I.—Four hundred and eighty-seven clerks appointed before 1st March 1921, who were exempted up to specified limits of pay in the old graded scale of pay, seventeen by the Government and the rest by the Inspector-General of Registration.

[2nd November 1931

Class II.—One hundred and seventy-three clerks also appointed before 1st March 1921, and not exempted in the old graded scale, but specifically exempted by the Inspector-General in the time-scale of pay with reference to paragraph 4 of G.O. No. 164, Law (Education), dated 4th February 1925.

Class III.—Thirty-eight clerks confirmed on or after 1st March 1921, of whom twenty-three were specifically exempted by the Inspector-General.

2. The following irregularities have been committed in respect of the above classes of clerks:—

(*a*) *Class I clerks.*—With reference to G.O. No. 722, Law (Education), dated 13th June 1922, the Inspector-General did not specifically exempt any of these 487 clerks in the time-scale of pay, but issued general instructions enabling them to draw increments in the time-scale, quoting G.O. No. 1525, Law (Education), dated 8th December 1922. As they had been exempted only up to specified limits in the graded scale of pay, they could draw in the time-scale of pay only the pay represented by the limit of exemption plus the temporary increase in pay. They were, however, irregularly granted increments with effect from 1st March 1921.

(*b*) *Class II clerks.*—The Inspector-General exempted all these 173 clerks between the 14th and 27th May 1926, i.e., after the issue of G.O. No. 773, Law (Education), dated 3rd May 1926, which withdrew the power of exemption from the heads of departments.

(*c*) *Class III clerks.*—Of the twenty-three clerks who were specifically exempted by the Inspector-General, twenty were allowed to count service for increments from or after the dates of their exemption, but the three remaining clerks, viz., S. Padmanabha Rao, C. N. Raghavendra Rao, and K. Annayya Acharya, serving in Coimbatore district, were allowed irregularly to count service for increments from 1st March 1921 instead of from 17th March 1921, the date of their exemption, by the Inspector-General.

3. The Government have perused the explanation offered by the Inspector-General and the remarks of the Accountant-General for these irregularities and are pleased to issue the following orders:—

(1) The eleven clerks belonging to class I, shown in Annexure A to these proceedings who had been originally exempted by the Government up to specified limits in the old graded scale of pay will be allowed to draw their present rates of pay and rise in the time-scale of Rs. 35—60 up to the bar. There will be no reduction of pay or recovery in their cases.

(2) As regards the other six clerks belonging to class I shown in Annexure B who had also been exempted by the Government up to specified limits in the old graded scale of pay, the pay of No. 1 has already been fixed at Rs. 50 per mensem in G.O. No. 94, Public, dated 31st January 1927, and Nos. 2 to 6 inclusive have been permitted in

2nd November 1931]

G.O. No. 772, Public, dated 23rd August 1927, to cross the bar in the scale of Rs. 35—60. No question, therefore, arises in these cases of any reduction of pay or recovery of overpayments.

(3) The other 470 clerks in class I, shown in Annexure C, will remain on their present rates of pay until they reach that pay by normal rises in the ordinary scale on the assumption that they have started on the minimum pay and counted service for increments from 31st January 1927, the date on which they were brought under paragraph 3 of G.O. No. 949, Public, dated 5th November 1926. Thereafter they may draw increments up to the bar.

(4) Clerks C. N. Raghavendra Rao and K. Annayya Acharya included in class III will remain in their present rates of pay until they reach that pay by normal rises in the ordinary scale assuming that they had started on the minimum pay and counted service for increments from 17th March 1921, the date of their exemption by the Inspector-General. Thereafter they may draw increments up to the bar.

Clerk S. Padmanabha Rao who was also irregularly allowed to draw increments from 1st March 1921 instead of from 17th March 1921, having since died, the question of refixation of his pay does not arise; the recovery of the amount overdrawn by him is waived.

(5) As regards the amounts overdrawn by the clerks mentioned in Annexure C and by clerks, C. N. Raghavendra Rao and K. Annayya Acharya, the Government direct that wherever it is established that the parties have not contributed by any act or omission to the incorrect drawal of excess amounts, the recovery of such amounts outstanding on the date of these proceedings shall be waived. Recoveries effected up to the date of these proceedings will not however be refunded.

(6) In regard to the exemption of the 173 clerks belonging to class II, the Inspector-General has explained that he exempted them prior to the receipt by him of a copy of G.O. No. 773, Law (Education), dated 3rd May 1926, i.e., under the *bona fide* belief that he had the power to do so. The Government accept this explanation and ratify the exemptions granted by the Inspector-General. As these 173 clerks were allowed to count service for increments only from the dates of their exemption by the Inspector-General there is no question of recovery of overpayments in their cases.

(By order of the Governor in Council)

C. F. V. Williams,
Under Secretary to Government in charge of the Chief Secretariat.

To the Inspector-General of Registration, with reference to the correspondence ending with his letter No. E. 18, dated 17th June 1931.
